Experience It! Jackson Hole

Jackson Hole, originally called Jackson’s Hole, is a valley located in Wyoming. The word “Hole” derives from language used by early trappers or mountain men who primarily entered the valley from the north and east and had to descend along relatively steep slopes, giving the sensation of entering a hole. These low-lying valleys are surrounded by mountains and contain rivers and streams which are good habitat for beaver and other fur-bearing animals.

Day 3: Thursday, September 21, 2017
Jackson Hole - Grand Tetons - Yellowstone Wind through Grand Teton National Park, home to the youngest peaks in the Rockies. Keep your camera ready. There are plenty of opportunities to take photos. Next, visit incomparable Yellowstone...
National Park, the first and oldest national park in the world. Yellowstone, a true symbol of the west, stretches across 3,470 square miles and touches three Western states. Famous for its geysers, hot springs and incredible wildlife – including free-ranging herds of buffalo – Yellowstone lives up to its reputation. A park guide joins your group to discuss the past, present and future of the park as you observe the unspoiled natural splendor. Of course, no visit to Yellowstone would be complete without seeing its most famous attraction: Old Faithful. Watch in amazement as the geyser erupts, sending a fountain of steam more than 90 feet in the air! (B, D)

Day 4: Friday, September 22, 2017 Yellowstone - Cody - Sheridan Begin your day with a journey along Lake Yellowstone and over Sylvan Pass. From the mountains to the prairies, the scenery is simply astounding. Pass through Cody and visit the Buffalo Bill Center of the West – a tribute to one of the most colorful figures of the Old West. Before turning in for the night in Sheridan, make your way through the incredible Bighorn Mountains and cross through the territory of the Great Sioux Nation. (B)

Day 5: Saturday, September 23, 2017 Sheridan - Deadwood - Rapid City, South Dakota En route to Rapid City, stop in Deadwood, a rowdy, rambling western town that has been named a National Historic Landmark. Recreations of turn-of-the-century street lamps light the way through the restored architecture. A local guide introduces you to the history of the city, including a visit to Mount Moriah Cemetery, final resting place of Wild Bill Hickok, Calamity Jane and other figures from the Wild West. You’ll also make a stop at Kevin Costner’s Tatanka: “Story of the Bison.” This interpretive center features large, awe-inspiring sculptures depicting the relationship of bison and the Lakota Native Americans. Enjoy some time to ramble through Deadwood where gold, gambling and gunpowder were once the order of the day. Later, return to Rapid City to enjoy leisure time for independent exploration. (B)

Day 6: Sunday, September 24, 2017 Rapid City - Crazy Horse - Keystone - Rapid City Today, learn more about this diverse region. Jump into the world of Black Hills gold on a tour through Riddle’s Black Hills Gold and Diamond Factory. See skilled artisans handcraft South Dakota’s official state jewelry. Then it is on to Custer State Park where you’ll hop on an off-road vehicle to travel deep into the park. A herd of approximately 1300 free roaming buffalo (or bison) grace the woods of Custer along with pronghorn antelope and elk. Your guide will fill you in on the history and fun facts about the park’s wildlife. Next, prepare to be amazed by the Crazy Horse Memorial, the world’s largest mountain sculpture still in progress. The memorial includes the Indian Museum of North America, Native American Cultural Center, the sculptor’s studio, an orientation center and theaters. Many Native American artists and craftspeople practice their art at the memorial and are on hand to discuss the influence their culture has on their work. Make a stop in the Old West town of Keystone to have dinner on your own before stopping to see the illumination of Mt. Rushmore, one of the true icons of the West, during a sound and light show. (B)

Follow the Badlands Loop Road, a wonder of rock formations and vibrant colors caused by mineral deposits. Next, enjoy a stop at Wall Drug, a classic store from 1936, where there is time for lunch and browsing. This evening, a Lakota Native American will join you before your farewell dinner to discuss his dedication to his community and the Native American way of life, past and present. (B, D)
